

# Live In-Step with the Gospel

~Part 2: Galatians 2:17-21~

# Live In-Step with the Gospel...

So that...

1. You would denounce legalism
2. You would live in Christ's power to put sin to death
3. You would live in Christ's power and produce godly fruit

# Three Exhortations to Live In-Step with the Gospel

1. Don't Live Out-of-Step with the Gospel by insinuating that your actions make you inherently more acceptable to God.
2. Live In-Step with the Gospel by trusting in Christ, not the Law, as your righteousness before God.
3. Live In-Step with the Gospel by trusting in Christ, not the Law, as your holiness before God.

# Live In-Step with the Gospel

By trusting in Christ, not the Law, as your holiness before God.

Because . . .

- A. Dependence on Christ Does Not Produce Sin (v. 17)
- B. Dependence on the Law Produces More Sin (v. 18)
- C. Dependence on Christ Produces Godly Living (vv. 19-21)
